

9th Annual Co-Occurring Disorders Symposium “Caring from a Distance”

Sponsored by the Southeast Minnesota Area Substance Use Providers

Thursday January 28, 2021. 8 a.m.- 4: 30 p.m. via Zoom

Join us from the comfort and safety of your home or office to gain knowledge in treating co-occurring mental health and substance use disorders relevant to the challenges we will face in 2021.

Earn 6.5 CEU's for the low price of \$50!

- This is a practitioner-based education and training opportunity in the area of, and relevant to, the treatment of co-occurring mental health and substance use disorders, which will assist the participants to:
 - Increase knowledge of Evidence Based Treatment of Co-Occurring Disorders, especially Bipolar Disorder and Trauma Related Disorders.*
 - Increase awareness and understanding of Ethics as it pertains to telehealth and other current considerations.*
 - Learn more about Cultural Diversity as it pertains to substance use disorders and mental illness.*
 - Support development of skills and understanding of co-occurring disorders and treatment.*
- Conference content meets the requirements for co-occurring disorder training for Rule 31 licensed programs.
- Continuing Education approval has been sought from the following Licensing Boards:
 - Minnesota Board of Behavioral Health and Therapy
 - Minnesota Board of Social Work
 - Minnesota Board of Psychology
 - Minnesota Board of Marriage and Family Therapy
 - Iowa Board of Certification

Registration for this conference for participants will need to do so through Eventbrite. Please click the link to register.
