Vendor/Exhibitor Registration Announcement

The 2022 Co-Occurring Disorders Symposium Planning Committee wishes to welcome our participating vendors and exhibitors. For your comfort and convenience, we have authorized that all breaks and meals be included in this year’s \$200 registration fee. We ask you submit the name of the primary person with the registration. If you wish to add a 2nd person, then please include that information as well along with an additional \$50 concessions charge. No more than two per table can be registered. The price does not include access to conference sessions or continuing education units. All individuals wishing to participate in the education component will be asked to register that separately.

Please note: Conference vendors/exhibitors will again be received on a first-come, first-served basis. Space is limited and an adjacent vendor room will be provided which will be secured after hours. Vendor/Exhibitor registrations will be accepted immediately until gone regardless of your last years’ participation. **No vendor/exhibitor registrations will be accepted after January 19, 2022.**

Set up time will commence at noon on Wednesday, January 26, 2022 and take down must be completed by noon Friday, January 28, 2022.

As before, we look forward to your attendance at the upcoming event.

Sincerely,
Symposium Planning Committee
